### Equipment Needed to Run a Non-Emergency Medical Transportation Business

Typically, as a business owner, a start-up with one to two vehicles and gradually add more as business increases. The most common vans used for transport have the following:

- 1** Raised roof and doorways which allow clients to enter from the side or the rear of the vehicle.
- 2** Manual lifts or hydraulic. Securing devices for wheelchair clients.
- 3** Vans should be able to accommodate both wheelchair and ambulatory clients.
- 4** Don't forget to buy good paratransit dispatch software to schedule and dispatch ride.

## BROCHURE

**Vision Statement**  
It is our vision to help improve the healthcare industry. We believe that one way of doing that is by making sure that healthcare professionals are educated, well-trained, and are experts at what they do.

We offer three different and first-rate Healthcare Training class schedules. Maitime, we are offering classes for: Certified Nursing Assistants (CNAs), Licensed Practical Nursing (LPNs), and Medical Assistants.

At Mai Healthcare School, we provide a curriculum, teaching method and attitudes. We are truly devoted to impacting the healthcare industry.

We accept enrollees regardless of sexual orientation, religion, race, social status, or color. We do not discriminate here to assist aspiring healthcare professionals.

**Mai Healthcare School**  
Mai Healthcare School is here to help you achieve your healthcare professional aspirations. Offering three different STNA class schedules, it is our goal to assist as many locals as we can in their career advancement in the healthcare industry. Mai Healthcare School is a company new to Cincinnati, Ohio. However, we are already doing everything in our capacity to help as many locals as we can to get the healthcare training that they need.

**Location**  
The STNA program consists of classroom-based learning activities and community-based clinical experiences. All classroom activities take place at our offices located at Cincinnati. All clinical experiences take place in long term care facilities in the Cincinnati metropolitan area.

**Costs**  
\$565 includes deposit, books, uniform and tuition, your lab materials and clinical fees. If a clinical is missed for any reason a clinical reschedule fee will be assessed. All students must have proof of a negative TB skin test within 30 days of enrollment.

**Certified Nursing Assistant**  
Train to become the best CNA that you can be! With our expert trainers, we will help you get certified in no time. Training programs will soon be available!
